

**Role:** Senior C# Cloud Developer

**Contract:** Permanent

**Salary:** £65,000 - £75,000

## THE COMPANY

We are a fast-growing technology firm with offices in London and Manhattan, dealing with great clients across the globe.

Our product uses artificial intelligence techniques to capture data from unstructured documents such as pdf's, spreadsheets and emails. Our parsing technology provides efficiencies to repetitive tasks which would normally require the time-consuming manual extraction of data.

## THE ROLE

As a Senior C# Cloud Developer, you'll have 3+ years' experience at a senior level in the entire software development life cycle. You'll need to have the ability to design and deliver solutions to unique problems and be ready to face difficult algorithmic, as well as technological challenges. In particular, you have real-world experience with designing, implementing and maintaining enterprise solutions on cloud infrastructure (ideally AWS and/or Azure), and can demonstrate expertise in associated technologies (Docker, Kubernetes).

You will have the opportunity to lead and mould our Cloud strategy and work with a broad range of open-source tools and platforms to deliver Semantic Evolution's cutting edge technology to some of the biggest financial institutions in the world. Researching and picking up new technologies quickly is a must.

You will be joining a quickly growing team of software enthusiasts and be able to work with and manage the team, on top of working efficiently on your own. We are using the latest technologies as well as integrating with new innovative frameworks as needed.

### Essential Skills:

- AWS/Azure/GCP DevOps
- C# development with good knowledge of .NET core
- SQL Server, PostgreSQL
- Microservices, Docker
- Kubernetes, Helm
- Terraform

### Nice to Have:

- RabbitMQ
- Elasticsearch
- Octopus, TeamCity
- Python
- TensorFlow
- GRPC
- Client facing experience

## TO APPLY

Candidates should be able to start within four weeks and be eligible to work in the UK without visa sponsorship. To apply, please submit your CV along with a cover letter here:
